

Digital Photography First Day Activity

Directions: You have ten minutes to answer the following questions in paragraph form. Be specific with your answers, as they will be reviewed at the end of the class. Make sure you save your work to your H:Drive.

Paragraph 1:

What do you already know about Photography? Where do you see it used?

Prior to taking this class, have you had any other experiences with photography?

Paragraph 2:

If you are not familiar with photography, what do you expect to know about photography by the end of this class?
