Digital Photography Writing Assignment

NOBODY CARES ABOUT YOUR PHOTOGRAPHY

Watch the Video “Nobody Cares about your Photography” and then explain what the intent or theme of this video is really about.

Your essay should be composed of at least four paragraphs. The following structure of this essay should be:

- An introduction describing what the theme of this video is.
- Two or more paragraphs describing the major issues, point of view, discussed during the video.
- A conclusion should be your opinion in supporting or not supporting the theme presented in the video and why you felt that way.

Complete sentences should be used throughout the essay and the final essay should be submitted via e-mail to the instructor.
