Shooting Assignment: Green Screen

Directions:

You will be required to shoot a minimum of *six* images of yourself in different poses while using the Green Screen and/or the Black Screen. You will then take *only Three* images of your choice and use Photoshop to remove the green screen and position yourself onto different backgrounds. As a continuation of your Photoshop skills you will also be required to edit/ crop the final images when necessary. Think creatively when placing the image of you somewhere and have fun with the assignment.

Process:

Step 1: Using the camera in Auto mode with a tripod shoot six images of yourself in different poses while using the Green Screen and or Black Screen

Step 5: Transfer your photos to your H: drive and perform the necessary steps using Photoshop. Be sure to save your work as a Photoshop psd. file.

Step 5: When you are done editing your images in Photoshop save the images a jpeg's and save using the following format:

- Image 1: **LastName_FirstName_GSA**
- Image 2: **LastName_FirstName_GSB**
- Image 3: **LastName_FirstName_GSC**
