Digital Photography Class Assignment
Creating Text Layers in Adobe Photoshop

Directions:

You will be required to modify a picture provided by the teacher, using the Text Tool in Photoshop.

Procedure:

- Download the " Feeling Chart Image and retrieve it with Photoshop

- **Add a Text label for each of the 10 faces on the chart.**
    a. Each Text label on the chart should reflect a different Color
    b. Each Text label on the chart should reflect a different Font
    c. You must demonstrate the use of Blending Options on at least THREE labels.

- When the activity is complete, ask the teacher to grade your image

- Each correct text label has a value of 5 points, 50 points total.
